

Liberty[™] by Decor Moulding & Supply

A line of 15 styles in 3 sizes (1-3/4", 2-3/4" and 4-1/4") in 5 woody colors (mahogany, cherry, walnut, pecan and charcoal) that look like real veneer, but are made of "Earth-Friendly" recycled polystyrene. The look and feel of real veneer has been painstakingly reproduced for this line. This line is truly "art imitating life" and is a win-win for everyone.

Decor is using the latest green materials and technology in the manufacturing process to duplicate the beauty of wood veneers. The Liberty[™] line will make an excellent addition to your framing solutions.

Liberty[™] by Decor is a real value for your money. Great for many types of art from landscapes to portraits, mirrors and much more.

Liberty[™] by Decor is certain to be a successful line for you.
