HOLLOW SPACERS

DECOR Archival Glass & Art Spacers™ can be stacked to achieve the space you require.

Specifications: pH Neutral peel-'n-stick spacers. Available in clear, black and white (all sides uniformly finished to avoid mismatched sides). Solid construction for maximum rigidity and easy cutting ability using common shop tools such as cutting sheers, fillet trimmers and foot choppers. Easy and quick to install for metal or wood frames with glass or plexi. Aggressive double-sided tape adhesive for secure bonding.

Uses: DECOR Archival Glass & Art Spacers™ are ideal for a variety of professional picture framing applications.

- All archival applications involving glazing should incorporate Archival Glass & Art Spacers™ to keep the artwork or print away

from the glass or acrylic to avoid image transfer and condensation damage.

- Photographs are particularly susceptible to humidity damage resulting from contact with glazing surfaces.
- Pencil, pastels, charcoals and even a child's crayon masterpiece should not contact a glazing surface as all dry mediums are very subject to image transfer.
- Textured mats, fillets, fabric wraps, needlework and float mounting would be flattened or distorted if not separated from the glass.

3M POSITIONABLE MOUNTING ADHESIVE

3M Positionable Mounting Adhesive (PMA) is the quick, clean alternative to spray adhesives for today's studio.

- Allows repositioning before bonding.
- Requires no heats, liquids, special equipment or clean-up.
- Ideal for desktop mounting in studio.
- Pressure activated adhesive for quick, clean and consistent bonding.
- Permanent bond will not stain or dry out

LINTLESS WIPING CLOTHS

New material. Assorted overall sizes. Ideal for cleaning glass, etc. Machine washable and reusable. Cheaper and better than paper towels. Imported. (1lb. pack) **DECOR Exclusive**

ITEM #648 -

DRY CLEANING PAD

**NEW IMPROVED LARGER
3 1/2 oz. Pads**

**ITEM # Price 12 +
646**

Gently cleans mistakes, smudges and smears from mats, artwork, linen liners and documents. Pads contain super soft grit-free powder. Twist pad lightly to release powder. Then rub on soiled area. Very easy to use and long lasting. Never needs washing.

BURNISHING BONE

Item #651 - 6" long
Item #998 - 8" long

This tool of the trade removes rough mat edges caused by knife cuts. Makes overcuts less obvious leaving a smooth fine mat cut finish. It is especially useful for insuring tight secure bond of our tapes to porous paper surfaces.
