| 515                                     | 96"    |           |

Durable, lightweight aluminum with easy to read thermobonded numbers - non rusting.

## CENTER FINDING RULER

These aluminum center finding rules are calibrated in 16th and 32nd's allowing you to quickly find the center of any 2 or 3 dimensional object. Simply place the center finding rule on the "object" so that the same measurement appears to the left of the "0" mark as appears to the right of the "0" mark. The arrow on the rule now points to the exact center.

| Item #                                  | Length | Price |
|---|--------|-------|
| 543 <input checked="" type="checkbox"/> | 24"    |       |
| 544 <input checked="" type="checkbox"/> | 36"    |       |

## SAFETY GOGGLES
