

Essence™

MUSEUM BOARD

- 100% Cotton
- Highest Archival Quality
- Neutral pH / Acid-Free
- Fade, Scuff & Bleed Resistant
- Buffered with Calcium Carbonate

Decor is proud to introduce the Essence™ Museum Board collection. The collection meets all industry standards for consistency, preservation and quality. We selected the most popular colors making the Essence™ Museum Board the perfect archival choice for conservators, museums, libraries and framers worldwide.

Made from pure 100% cotton throughout and earning the Seal of Cotton trademark, the Essence™ collection is naturally free of acid, lignin and other non-cellulose containments. Buffered with calcium carbonate, the pure cotton composition creates a strong, rigid matboard that is pH neutral.

Only the finest color pigments are used to create our museum board colors. The colors are solid throughout and are fade, scuff and bleed resistant. This ensures cleanliness and excellent cutting characteristics.

The Essence™ Museum Board collection passed the Image Permanence Institute, Photographic Activity Test (P.A.T.) and exceeds the Library of Congress Standards for image permanence. Standing the test of time, the cotton Essence™ Museum Board collection is ideal for: matting, mounting and preservation of fine prints, precious documents, and traditional and digital photographs.
