

## Point Drivers Points

### FLETCHER Pneumatic Point Drivers for Professional Volume Assembly

Fires tight and flat to the surface providing superior holding power. Used with Framers Points in stacks of 250 points and Flexible Framers Points in stacks of 425 points. No "pull-back" required; slide point driver along moulding for continued firing. Ergonomically designed trigger eliminates hand fatigue.

Item #	Description	Price
F07300	Pneumatic Framemaster Point Driver	
F08985	<input checked="" type="checkbox"/> Framemaster Framers Points 5/8" 12,000/bx	
F07400	Pneumatic Fleximaster Point Driver	
F08995	<input checked="" type="checkbox"/> Fleximaster Framers Points 5/8" 12,000/bx	

### FLETCHER Framemaster Point Driver

Easily-and-comfortably fire points flatly into the frame with a minimum amount of pressure due to the full-grip trigger which reduces fatigue. Spring-adjusted firing power to match wood density. Does not double feed or jam. Easy-to-load magazine holds 100 points for reduced down time.

#F09517

#F09519

#### PUSHMATE #F09515

Perfect for inserting Fletcher push points, triangle points and diamond points into wood frames and window sashes. Rubberized raised grip provides added comfort and helps prevent damage to the mat and other backing materials.

#### PULLMATE #F09517

Specifically designed to remove Fletcher Framers Points from wood frames. Raised grip helps protect framing materials.

#### SPRINGMATE #F09519

Inserts and removes metal clips with ease. Slotted tip helps prevent slipping & damage.
